OUR MISSION

Boston Asian American Film Festival (BAAFF) empowers Asian Americans through film by showcasing Asian American experiences and serving as a resource to filmmakers and the Greater Boston Community. BAAFF is a production of the Asian American Resource Workshop. BAAFF builds on 40-years of AARW supporting the Asian American Community through film.

BAAFF is co-produced by AARW and ArtsEmerson

WHY SPONSOR BAAFF?

Boston Asian American Film Festival (BAAFF) is the largest Asian American film festival in New England. Run by a relatively small team of extremely dedicated volunteers with a limited budget that goes towards marketing, venues, inviting special guests, producers/directors and more. Your help will not only help us financially, it will help us inspirationally!
